AeroBase Group

View Online at https://aerobasegroup.com/nsn/5920-01-645-0928

Body Style:

Plug-in autofuse

Terminal Length:

6.5 millimeters

Overall Height:

20.0 millimeters

Overall Width:

19.0 millimeters

Continuous Current Rating In Amps:

20.0

Terminal Thickness:

0.6 millimeters

Maximum Voltage Rating In Volts:

32.0 dc

Features Provided:

Rohs directive compliance

Special Features:

Color - yellow; contacts - blades; breaking capaci type 1000a 32vdc; standard sae-j1284

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01700
