Body Style:

Plug-in autofuse

Overall Height:

8.4 millimeters

Overall Width:

10.9 millimeters

Continuous Current Rating In Amps:

30.0

Unable To Decode:

10.0 millimeters

Terminal Thickness:

0.82 millimeters

Features Provided:

Rohs directive compliance

Special Features:

Housing material green; contacts - blades

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
