Body Style:

Limiter w/hole

Terminal Surface Treatment:

Silver plated

Overall Length:

68.58 millimeters

Center To Center Distance Between Mounting Facilities Parallel To Length:

50.80 millimeters

Overall Height:

9.9 millimeters

Overall Width:

16.26 millimeters

Continuous Current Rating In Amps:

60.0

Maximum Voltage Rating In Volts:

32.0 ac

Interruption Indicator Method:

No visual indication

Short-circuit/interrupt Current Rating In Amps:

2000.0

Product Name:

Fuse

Precious Material And Location:

Terminal silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01700
