Overall Length:

12.000 inches

Overall Height:

3.750 inches

Overall Width:

10.250 inches

End Application:

Part no. Ww-5937915

Special Features:

Major components: contact plate 1; pole pieces 2; usage design: used to shield arc whenever the circuit is interrupted; mtg configuration: contact plate mtd on pin and bolted in place through arc chute support;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511I0
