Overall Length:

1.250 inches

Overall Height:

1.338 inches

Overall Width:

0.781 inches

Pole Quantity:

1

Mounting Facility Type And Quantity:

2 terminal

Storage Type:

General purpose warehouse

Maximum Continuous Load Current Rating Per Pole:

20.0 amperes ac single location and 20.0 amperes dc single location

Circuit Protection Type:

Overcurrent single location

Terminal Type And Quantity:

2 threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
