Body Style:

Single pole type

Case Material:

Metal

Pole Quantity:

1

Mounting Facility Type And Quantity:

2 unthreaded hole

Maximum Continuous Load Current Rating Per Pole:

30.0 amperes ac single location

Circuit Protection Type:

Overcurrent single location

Reset Method:

Automatic

Terminal Type And Quantity:

2 threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A030a0
