**Body Style:**

Single pole type

**Case Material:**

Metal

**Pole Quantity:**

1

**Mounting Facility Type And Quantity:**

2 unthreaded hole

**Maximum Continuous Load Current Rating Per Pole:**

30.0 amperes ac single location

**Circuit Protection Type:**

Overcurrent single location

**Reset Method:**

Automatic

**Terminal Type And Quantity:**

2 threaded stud

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A030a0
