Overall Length:

11.000 inches

Overall Height:

4.563 inches

Overall Width:

8.500 inches

End Application:

Circuit breaker

Features Provided:

Arc quenching

Component Type And Quantity:

2 contact and 1 frame and 2 terminal

Unpackaged Unit Weight:

1.125 pounds

Precious Material And Location:

Contacts silver

Specification Data:

81349-mil-c-17361 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51110
