**Bushing Length:**

0.380 inches

**Body Length:**

1.562 inches

**Body Width:**

0.656 inches

**Pole Quantity:**

1

**Trip Release Method:**

Magnetic all locations

**Inclosure Protection Type For Which Designed:**

Hermetically sealed

**Special Features:**

This is a single pole series breaker dc, 50/60 hz, 400hz instant time delay 135% trip, amperage rating 10.000

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A030a0
