Circuit Breaker - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5925-01-554-4936

Pole Quantity:
3
Trip Release Characteristic:
Time delay all locations
Trip Release Duty Cycle:
Continuous all locations
Special Features:
High interruption using fuseless current-limiting technology, has universal trip unit with adjustible rating plug; front connected breaker
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A030a0
