## NSN 5925-01-560-1046

Circuit Breaker - Page 1 of 1

A030a0

View Online at https://aerobasegroup.com/nsn/5925-01-560-1046

End Application:
Controller, duplex, pump ecd-plc-cvn77-03
Maximum Continuous Load Current Rating Per Pole:
10.0 amperes ac all locations
Operating Voltage Type And Rating Per Pole In Volts:
120.0 ac all locations
Circuit Protection Type:
Overvoltage all locations
Special Features:
Single phase; din rail mounted; protects power going to the controller power supply
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
