**End Application:**

Control panel 50gpm ultrafiltration system

**Maximum Continuous Load Current Rating Per Pole:**

90.0 amperes ac all locations

**Operating Voltage Type And Rating Per Pole In Volts:**

480.0 ac all locations

**Circuit Protection Type:**

Overcurrent all locations

**Trip Release Method:**

Magnetic all locations

**Frequency In Hertz:**

60.0 all locations

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A030a0
