End Application:

5865-01-535-8887 detecting system countermeasures

Pole Quantity:

2

Product Name:

Rocker handle and panel seal circuit breaker

Special Features:

Panel seal toggle handle 66 screw terminals, two pole 3 push on terminal, 50/60hz short delay, 277v approve 250v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
