End Application:

General construction stock

Pole Quantity:

3

Operating Voltage Type And Rating Per Pole In Volts:

600.0 ac single location

Product Name:

Molded case circuit breaker, 225a, 3-pole, 600vac

Special Features:

Adjustable magnetic trip, low: 1125a- high: 2250a; ampere rating 225a; interrupting rating: 25ka at 240vac- 18ka at 480vac- 14ka at 600vac; j-frame type; for use with i-line panelboards and switchboards

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A030a0
