Overall Length:

1.874 inches

Body Length:

1.115 inches

Body Width:

0.750 inches

Body Height:

0.562 inches

End Application:

Controller interface

Maximum Continuous Load Current Rating Per Pole:

20.0 amperes ac single location

Product Name:

Low amperage, high performance circuit breakers

Special Features:

Interrupt current: 500amps at 120vac, 400hz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A030a0
