Overall Height:

90.0 millimeters

Overall Width:

70.0 millimeters

Circuit Protection Type:

Overvoltage all locations

Switch Terminal Type:

Compression

Product Name:

Over current protection device

Unpackaged Unit Weight:

0.158 kilograms

Supplementary Features:

4 channels; 24v dc; 4-10 amp; temp range: 0 degrees to 55 degrees c; terminal input: 2 x 16mm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
