End Application:

3895-01-577-2425

Integral Heating Element:

Not included

Product Name:

Thermal circuit breaker

Special Features:

Current rating is 15a; operating voltage is 250 vac ; actuator style is push to reset; 1 poles

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-c
