**End Application:**

Light armored vehicle

**Pole Quantity:**

1

**Operating Voltage Type And Rating Per Pole In Volts:**

28.000 dc all locations

**Product Name:**

High performance thermal-magnetic circuit breaker

**Special Features:**

Current rating 100-400a

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A030a0
