Overall Height:

157.5 millimeters

Overall Width:

104.5 millimeters

End Application:

Sentinel class fast response cutter (frc-b)

Pole Quantity:

3

Special Features:

Operating frequency 50/60 hz; operating voltage 500; continuous current rated value 160a; fixed mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
