Overall Height:

161.0 millimeters

Overall Width:

105.0 millimeters

Pole Quantity:

3

Operating Voltage Type And Rating Per Pole In Volts:

690.0 ac all locations

Reset Method:

Manual

Special Features:

Compact nsx100h; circuit breaker rating code h; network frequency 50/60 hz; network type ac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A030a0
