Pole Quantity:

2

Product Name:

Circuit panel

Special Features:

No. Of poles: 2; panel & integral/screw-in mounting connect; no terminal protection; protection mode: instantenous; rated voltage: ac250 (50/60 hz), dc120v; amp. Rating: 0.1 30a; rated break amp: ac250v: 2.5ka, dc120v: 2.5ka; amb. Temp/humidity: 10 to 60 degrees by celsius/0 to 85% by relative humidity; ref. Amb. Temp: 40 ?C; dielectric strength: 1 minute at ac1500v(50/60hz); electrical life: 10, 000 operations (6, 000 operations with rated ampere at 6 operations/min)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
