Pole Quantity:

1

Product Name:

Circuit protector

Special Features:

No. Of poles: 1; panel & integral/screw-in mounting connect; no terminal protection; protection mode: instantaneous; rated voltage: ac250 (50/60 hz), dc60v(1 pole only); amp. Rating 0.1 30a; rated break amp. Ac250v: 2.5ka, dc 60v: 2.5ka(1 pole); ambient temp/humidity: 10 to 60 degrees by celsius/0 to 85% by relative humidity; reference ambient temp. 40°C; dielectric strength: 1 minute at ac15000v(50/60 hz); electrical life: 10, 000 operations (6, 000 operations with rated ampere at 6 operations/min)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A030a0
