

View Online at <https://aerobasegroup.com/nsn/5930-00-109-3126>

Special Features:

T-3, 0.032 in. Thickness of matl

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
