**Temperature Sensing Element Type:**

Capillary tube-bulb

**Mounting Method:**

Bracket

**Contact Action Stimulus:**

Decrease

**Mounting Facility Pattern:**

Four position rectangular

**Nonpile-up Contact Arrangement:**

1 pole, single throw, normally closed, momentary action

**Terminal Type:**

Tab w/screw

**Contact Adjustability:**

Deactuation point adjustable and actuation point adjustable

**Contact Adjustment Range:**

-7.00 to 37.00 actuation point degrees fahrenheit

**Contact Voltage Rating In Volts:**

115.0 ac at sea level single voltage

**Media For Which Designed:**

Gas

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
