Overall Length:

2.188 inches

Overall Height:

0.406 inches

Overall Width:

1.438 inches

End Application:

Dwg no. 9-s-4840-l

Accessory Components And Quantity:

4 blades, 4 rivets

Usage Design:

Used to make and break an electrical circuit

Mounting Configuration:

One 0.620 in. Sq hole, one corner of which is flattened

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-k
