Body Style:

Bushing mounted

Overall Length:

2.500 inches

Bushing Length:

0.625 inches

Maximum Voltage Rating In Volts:

32.0 dc

Inclosure Type:

Fully enclosed

Mounting Method:

Threaded bushing

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

25.000 amperes resistive dc

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
