Overall Length:

4.781 inches

Overall Height:

5.969 inches

Maximum Voltage Rating In Volts:

500.0 ac

Nonpile-up Contact Arrangement:

2 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

30.000 amperes resistive ac

Special Features:

Modified for 500 v ground protection

Terminal Type And Quantity:

6 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
