Overall Length:

2.625 inches

Overall Height:

1.500 inches

Overall Width:

2.250 inches

End Application:

Part no. T-415f

Usage Design:

Interior of switch

Mounting Configuration:

Two 3/16 in. Diameter mtg holes spaced 1-5/8 in. C to c

Special Features:

Major components: movable contacts 2, stationary contact 2, fiber base 1, contact post 4, movable contact arms2, contact arm spacer 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
