**Overall Length:**

2.625 inches

**Overall Height:**

1.500 inches

**Overall Width:**

2.250 inches

**End Application:**

Part no. T-415f

**Usage Design:**

Interior of switch

**Mounting Configuration:**

Two 3/16 in. Diameter mtg holes spaced 1-5/8 in. C to c

**Special Features:**

Major components: movable contacts 2, stationary contact 2, fiber base 1, contact post 4, movable contact arms2, contact arm spacer 1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A5110
