**Hazardous Locations/environmental Protection:**

Oil resistant

**Individual Section Quantity:**

1

**Features Provided:**

Actuator knob

**Contact Voltage Rating In Volts:**

600.0 ac at sea level

**Switch Actuator Indexing Position Quantity:**

3 single actuator

**Terminal Type:**

Screw

**Switch Actuator Positioning Increment:**

60.0 degrees single actuator

**Special Features:**

Gren wing lever knob

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A052b0
