Overall Length:

1.749 inches

Overall Height:

4.893 inches

Overall Width:

1.509 inches

Body Length:

1.277 inches

Case Material:

Metal

Maximum Voltage Rating In Volts:

12.0 dc

Inclosure Type:

Fully enclosed

Nonpile-up Contact Arrangement:

1 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

20.000 amperes resistive dc

Terminal Type And Quantity:

3 tab w/screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
