Actuator Style:

Round

Maximum Voltage Rating In Volts:

220.0 ac

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

1.500 amperes resistive ac

Special Features:

Pull actuator to operate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
