Thread Length:

0.375 inches single mounting facility

Shaft Diameter:

0.220 inches single actuator

Shaft Length:

1.000 inches single actuator

Individual Section Quantity:

2

Mounting Method:

Threaded bushing single mounting facility

Switch Actuator Indexing Position Quantity:

3 single actuator

Shaft Type:

Round single actuator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
