Pressure Switch Type:

Absolute

Mounting Method:

Clamp

Features Provided:

Hermetically sealed case

Terminal Type:

Connector, receptacle

Contact Voltage Rating In Volts:

12.0 ac at sea level single voltage

Special Features:

Connector attached to 2.000 in. Lg lead sealed to switch

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
