Body Length:

1.750 inches

Body Width:

0.812 inches

Body Height:

0.750 inches

Maximum Voltage Rating In Volts:

24.0 dc

Inclosure Type:

Fully enclosed

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

5.000 amperes resistive dc

Terminal Type And Quantity:

2 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
