Body Length:

4.625 inches

Body Width:

2.625 inches

Maximum Voltage Rating In Volts:

600.0 ac

Nonpile-up Contact Arrangement:

1 two circuit, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

20.000 amperes resistive ac

Special Features:

Three 0.312 in. Diameter mtg holes on 0.781 in. Diameter radius

Terminal Type And Quantity:

4 threaded stud

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
