**Body Length:**

4.625 inches

**Body Width:**

2.625 inches

**Maximum Voltage Rating In Volts:**

600.0 ac

**Nonpile-up Contact Arrangement:**

1 two circuit, both positions maintained single switch unit

**Contact Load Current Rating At Maximum Rated Voltage:**

20.000 amperes resistive ac

**Special Features:**

Three 0.312 in. Diameter mtg holes on 0.781 in. Diameter radius

**Terminal Type And Quantity:**

4 threaded stud

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A053a0
