Electrical Switch Cover - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-00-588-5689 **Body Length:** 17.240 inches **Body Width:** 15.940 inches **Body Height:** 0.380 inches

End Application:

Joint electronics disgnation, an/grc-171

Mounting Configuration:

Fifthteen mtg holes irregularly spaced

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Chemical film

Fsc Application Data:

Radio and television communications equipment, except airborne

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T23700
