**Width Between Flats:**

0.265 inches single actuator

**Shaft Length:**

1.125 inches single actuator

**Individual Section Quantity:**

1

**Switch Contact Basic Design:**

Nonpile-up nonsymmetrical

**Mounting Method:**

Threaded bushing single mounting facility

**Shaft Type:**

Round, parallel flatted single actuator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A052b0
