Body Diameter:

0.423 inches

Body Length:

1.230 inches

Maximum Voltage Rating In Volts:

230.0 dc

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

1.000 amperes resistive dc

Special Features:

Wire leads 7 in. Lg, color coded red/common/, orange, brown

Terminal Type And Quantity:

3 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
