Switch Actuator Quantity:

1

Maximum Voltage Rating In Volts:

125.0 ac

Nonpile-up Contact Arrangement:

1 pole, double throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

35.000 amperes resistive ac

Special Features:

Socket for medium screw base lamp mounted on switch

Terminal Type And Quantity:

3 screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
