

View Online at <https://aerobasegroup.com/nsn/5930-00-764-1411>

Special Features:

Single module, black plastic case, 12 pos, continuous rotation, dial marked 0-5 and repeated 0-5, 0.500 in. W, 1.709 in. H, 2.288 in. Deep, rated at 200 v ac, 12 w resistive, dielectric strength 1000 mego, operating temp range m40/p85 deg. C, life expectancy 1000000 detent operations, shock 50 g at 11 milliseconds, nickel-gold plated circuits, solder lug terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
