Overall Length:

1.875 inches

Overall Width:

1.016 inches

Mounting Configuration:

Two 0.136 in. Diameter mtg holes spaced 1.500 in. C to c

Special Features:

Maj comp: body 1; contact, moving 1; contact, stationary 2

Fsc Application Data:

Switch subassemblies, multiapplication, except antenna and transmission lines

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51110
