Body Style:

Uncased

Maximum Voltage Rating In Volts:

20.0 dc

Mounting Method:

Panel

Nonpile-up Contact Arrangement:

1 pole, single throw, both positions maintained single switch unit

Contact Load Current Rating At Maximum Rated Voltage:

3.000 amperes resistive dc

Terminal Type And Quantity:

2 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
