**Shaft Diameter:**

0.250 inches single actuator

**Shaft Length:**

0.720 inches single actuator

**Individual Section Quantity:**

1

**Switch Contact Basic Design:**

Nonpile-up nonsymmetrical

**Mounting Method:**

Threaded bushing single mounting facility

**Shaft Type:**

Round single actuator

**Switch Actuator Positioning Increment:**

30.0 degrees single actuator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A052b0
