Features Provided:

Electrical access port

Contact Action Stimulus:

Increase

Nonpile-up Contact Arrangement:

1 pole, double throw, both positions maintained

Contact Load Current Rating:

1.0 amperes resistive load single voltage

Contact Voltage Rating In Volts:

24.0 ac at sea level single voltage

Media For Which Designed:

Gas

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
