Overall Length:

1.500 inches

Bushing Diameter:

0.469 inches

Overall Height:

2.094 inches

Overall Width:

1.250 inches

Bushing Length:

0.500 inches

Mounting Method:

Bushing

Switch Type:

Push

Controlling Agency:

Control switch div, controls co; of america

Identifying Number:

D8-4-5930-501-1185 part no.

Individual Switch Quantity:

2

Special Features:

Plunger anodized red

Thread Size And Series/type Designator:

32 thd per in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-e
