## NSN 5930-01-022-7217

Photoelectric Controller - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-022-7217

## **General Description:**

U-snaped nousing aligns light emitting diode and photo semiconductor subassys, light beam less than 0.000 in. W, output porm 0.500 vdc of
input w/light beam unobstructed, output 0.600 vdc maximum w/5.000 vdc input and light beam obstructed, incl lens and cable assembly,
approx o/a dim. 17.775 in. Lg by 1.750 in. W by 0.875 in. H
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
