Overall Height:

3.200 inches

Mounting Method:

Hole

Environmental Protection:

Dripproof

Switch Type:

Push

Inclosure Type:

Fully enclosed

Mounting Configuration:

Mtg hole 1.062 inch square

Individual Switch Quantity:

4

Special Features:

Legend reads true target bearing illuminated in white

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-e
