	Locations/environmental Protection:
Watertight	
Overall Le	-
1.375 inche	
Individual	Section Quantity:
1	
	ufacturer Code:
27192	
	ufacturer Part Number:
10250tsb	
	ntact Basic Design:
	nonsymmetrical
Features P	Provided:
	ob and cam actuated
	bltage Rating In Volts:
240.0 ac at	sea level
Cam Actua	ated Switch Contact Arrangement:
1 pole, sing	gle throw, double make, both positions maintained single switch single section in-line
Switch Act	tuator Indexing Position Quantity:
2 single act	tuator
Terminal T	уре:
Tab, solde	r lug
Contact Sv	witching Action:
Breaks befo	ore makes single section in-line
Switch Act	uator Positioning Increment:
45.0 degree	es single actuator
Switch Act	tuator Stop Device Type:
Fixed stop	single actuator
Contact Lo	oad Current Rating:
1.1 ampere	s resistive load dc at sea level
Style Desig	gnator:
In-line, car	n actuated
Shelf Life:	
N/a	
Unit Of Me	asure:
Demilitariz	ation:
No	
Fiig:	
A052b0
